FAQ

- **Are farm call charges included?** No, call charges are not included and must be paid separately. However, for appointments scheduled on the same day and at the same farm, call charges can be split amongst multiple owners to increase savings.
- **How will I receive my rewards card?** Rewards cards will be mailed USPS after purchase.
- **What if I don't use my rewards card during the year?** No problem! Unused balances can be applied toward next year's package.
- **Is there an enrollment deadline?** Nope! You can enroll at any time of the year.
- **What can rewards cards be used for?** Rewards cards can be used for any equine product or service at Lodi Veterinary Care, excluding the online pharmacy.
- **Are refunds and transfers allowed?** Pro-rated refunds are available in the event of the sale or death of an enrolled horse. The unused portion of the plan may be transferred to another horse if that horse remains in our practice area.
- **If I have an emergency, can I enroll and still receive the discount?** Yes! Just call our office within two business days, purchase your package, and we will apply the discount.
